

2020 Operating Financials

A 501(c)(3) charitable organization since 1947, Eversight partners with individuals, surgeons, researchers, advocates, the Lions and other organizations, and communities around the world to change lives by providing new hope and access to sight-restoring care.

Thank you to our advocates, partners and staff whose commitment enabled Eversight to end 2020 with a positive net income. This ensures our organizational health and viability to continue delivering on our mission: to restore sight and prevent blindness through the healing power of donation, transplantation and research.
